

Blow it! Shred it! Bag it!

Any way you want it, ECHO's versatile Shred 'N' Vac® turns yard debris into garden mulch fast. With ECHO's professional-grade 2-stroke engines, you have the power to reduce a volume of debris by a ratio of up to 12 to 1. The large 2-bushel capacity bag minimizes emptying. Both models quickly convert to blower or vacuum applications. All ECHO Shred 'N' Vacs are backed by a 5-year consumer and a 2-year commercial warranty.
